

Government of National Unity (through Mercury International UK Ltd.) Twitter and Facebook 1 May – 9 July

Abdulhamid AIDabaiba عبدالحميد الدبيبة @Dabaibahamid · 11 May ...

Thank you @LindseyGrahamSC for a thoughtful conversation. Libya is fortunate to have friends like you. I look forward to working together in the months ahead as #Libya heads toward elections that will set us firmly on the path of democracy.

Lindsey Graham @LindseyGrahamSC · 11 May

I had a very good call with Libyan Prime Minister Abdulhamid AIDabaiba about the upcoming December elections in Libya. The unity government led by Prime Minister AIDabaiba is the best hope for a bright Libyan future.

an excellent conversation with @RepGregoryMeeks, we discussed the GNU's preparations for elections and how the US can support Libya in achieving self-determination.

We agree: this is #Libya's moment, democracy must prevail.

Abdulhamid AIDabaiba عبد الحميد الديبة @Dabaibahamid · 17 Jun

spoke with @RepTedDeutch about the hard work Libyans are doing to rebuild together and preparations for elections.

I thanked Rep. Deutch for his important work on the Libya Stabilization Act. The Libyan people value his commitment to democracy and peace.

Rep. Ted Deutch @RepTedDeutch · 16 Jun

I held a productive call w/ Libya's interim PM Dabaiba to discuss holding free & fair elections on time, unifying national institutions, removing foreign fighters, protecting migrants, & ensuring humanitarian access.

Security & stability will be a prerequisite for Libya's future successes, & in the immediate term, we must reunify the military to ensure our people get to polls safely. Libyans deserve to have confidence in the electoral process & feel their democratic rights are protected. 3/3

The PM thanked Rep. Meeks for his endorsement of the Libya Stabilization

Mohammed Ali Abdallah @M_Ali_Abdallah · 25 May

I spoke with @DavidLawler10 @Axios about #Libya in this time of rebuilding, and the importance of the US playing an active role in the region.

Libya's fragile moment of unity

Libya's fragile moment of unity

A ceasefire has held for six months and a unity government is in power.

...

Was great to meet with @GE_Power CEO Scott Strazik to discuss opportunities for investment and cooperation in #Libya's energy sector. Energy is the backbone of Libya's economy and work is underway to restore the sector so it benefits all Libyans.
